JANUARY 2012 - Character Connection: **Positive Attitude**

Being cheerful and setting our minds to look for and find the best in all situations. As boys participate in various activities, they will come to understand that all things change and they can make a difference in how that change affects their lives. A positive outlook will provide hope and excitement for their future.

FEBRUARY 2012 - Character Connection: **Resourcefulness**

Using human resources and other resources to their fullest. Cub Scouts will gain the knowledge and the means to meet situations effectively whether they are working on a service project or completing a den activity. The founders of Scouting had many resources to help them: a driving vision, the backing and support of parents, the enthusiasm of the boys, and the strength to see it through. It is that first set of core values that keeps Scouting strong and growing. In the same way, individual Cub Scouts today have many resources available to them. Parents, leaders, and books are all important, but even more so are the resources you develop inside yourselves. Learn all you can, have the courage to try new things without fear of failure, work hard, and do your best in everything, and you will live a successful life.

OBSR Summer Camp

Look for your Leader's Guide in the mail and join us, from June 3 - 7, for our 6th season of OBSR Summer Resource Camp. This ever growing and uniquely designed summer camp experience serves all age groups of Scouts and Scouters. We are set up nicely to carry out our strongest season ever. It is really like no other summer camp, with the program rooted in Baden Powell's desire to build young Scouts into strong Leaders!

Our First Year program offers a fantastic "hands on" experience, where the majority of the skills and knowledge needed to attain First Class are taught. This important program is led by highly skilled, veteran Scouts that have proven to connect to the younger age group with proven success, year after year.

The second, third and fourth year Scouts have a wide selection of merit badge choices and all the leadership growth opportunities a developing Scout could ask for with our fun and challenging Patrol Method competition and camp wide games. Feedback from Scouters has suggested that the skills and lessons learned from a week of true leadership, responsibility and accountability has helped the growth of not only the Scouts involved, but their respective Troops too, long after the camp week was finished.

And ... for our seasoned Scouts (high school and college) we offer even more leadership and service opportunities to maximize and solidify their long term Scouting spirit and growth. We can provide the kind of challenges and real world leadership experience these young leaders desperately need to fully round out "the leader within" ... talk about your character development!

Feel free to contact **Jay Coy 812.457.8216** or **Mike Eppler 812.760.4712** to learn more about this rapidly growing summer camp tradition and how you can become involved. Attend as a troop, serve on staff, or both. Be a Leader and help us truly make a difference in the positive formation of young men. Join us and be a part of our own home camp tradition!
