(Programs of Religious Activities with Youth)

The Buffalo Trace Council is pleased to announce a public workshop on **Thursday, April 29, 2010**, that will discuss Tools and Resources for Promoting Religious Emblems of All Faiths. The religious awards programs are offered to youth in grades 1-12 by various religious faiths, in collaboration with P.R.A.Y. Publishing Company.

Mark Hazelwood, CEO of Programs of Religious Activities with Youth (P.R.A.Y.), will be hosting the workshop for clergy, church volunteers and volunteers associated with all Scouting organizations, and any other interested people. The workshop will begin at **6:30 pm CDT**. **This workshop is free of charge.**

The Objectives of this workshop are:

- To provide an overview and general understanding of the religious emblems programs
- To encourage leaders to make presentations on the religious emblems programs to their units
- To become familiar with the resources to make a presentation on the religious emblems program

Religious Emblems programs are designed to encourage young people to grow stronger in their faith and include awards/emblems that are approved for wear on the official Boy Scout uniforms. Youth in grades 1-12 are eligible to participate, whether or not they are registered as Boy Scouts. The P.R.A.Y. website (http://www.praypub.org/main_frameset.htm, click on Recognitions/Emblems and then on Search by Faith) details programs offered by various religious faiths.
