

BALOO

BALOO is a fun, exciting, and required training for anyone in your Cub Scout Pack who are responsible for conducting a Pack family campout. It is recommended that each Pack have at least 2 BALOO trained adults.

What is BALOO?

BALOO stands for Basic Adult Leader Outdoor Orientation. It's designed to introduce Cub Scout leaders to the opportunities for pack overnight camping.

This is an energetic training that will cover everything you need to know to plan and run a pack overnighter. It's more than just camping—it includes ideas for outdoor activities, games, and ceremonies; information on selecting and using camping equipment; how to run a campfire program; and hands-on Cub Scout & Webelos cooking demonstrations! In short, everything you need to know to make your pack overnighter a fun, successful event!

Why do I need BALOO?

BSA has made several changes to the camping policy for Cub Scouts, Webelos, and Arrow of Light Scouts recently. In addition to participating in council camps (day camp), packs may also organize overnight campouts for scouts and their families. Adult leaders who are responsible for a Cub Scout Pack overnighter must be BALOO trained.
