Buffalo Trace Council,
Scouting America
November/December 2025

Volume 26 No. 6

Thank You

Thank you so much for the immeasurably valuable work you have done for our community. As a Council, we want to let you know that your dedication is essential to the work that we do. You help us ensure that we are meeting our mission. You bring ideas, positive energy, and a beautiful intensity to our Council and the Scouts we serve. You strive towards making a difference. Your passion and energy are unparalleled, and we respect your spirit of volunteerism immensely. Thank you for being so selfless with us and for so many in whose lives you make a tangible difference.

~Thank you immensely from the Buffalo Trace Council and Staff

Ol' Buzzard CALL OUT!

As we get into the season of being grateful and giving back, we know your time is valuable, but our Ol' Buzzard Patrol (Adult Maintenance Crew) is looking for registered adult Scouters to become Buzzards.

Ol' Buzzards meet at the Eykamp Scout Center on the second Thursday of the month from 9am-3pm (CT). In addition to needed projects to keep the office attractive and safe, fellowship with others and a meal are part of the day.

Both male and female registered Scouters are welcome to join. No special skills are required; however, knowledge of plumbing, electrical, carpentry, general mechanics, heating/AC, and grounds maintenance are desirable.

One District, One Council, One Team, One Mission

This May, the Buffalo Trace Council announced our decision to eliminate the operation of three separate District Committees. The reactions included comments such as: “We agree with this decision” and “This was an unexpected decision”. However, over 90% of feedback agreed that this is a step in the right direction in terms of efficiency and collaboration.

In January, we will begin our new operating Council structure, and are pleased to announce the recent appointment of several key leaders to support our Council this next year.

Within the Program Department:

Vice President of Program	Mark Dicken
Activities & Civic Service	Carmen Stoen
Advancement	Mike Williams
Camping	Brian Conner
Order of the Arrow	Wayne Carter
Risk Management	Joe Everitt
Training	Keith Gehlhausen

Each of our committee leaders will be reaching out to current and potential volunteers over the next few weeks for the selection of their committee leadership; we trust you will answer their calls to support fellow volunteers and the youth we serve. We will also be forming additional Council committee positions to support operations with Finance, Marketing, Membership, Popcorn, and Unit Service.

Our transition will take place over the next several weeks and months to be fully effective as we kick off the Scouting Year of 2026. In the first quarter of 2026, the first priorities will be the review and potential revision of our Council calendar. We will continue to communicate any revised and updated events and functions over the next two years. In most cases, very little will change, but we will be reviewing the effectiveness of program events with surveys to leaders, Scouts, and parents for valuable feedback.

We trust you will continue your volunteer leadership as it is needed more than ever before, and we thank you for your past, current, and future service. We need you and all volunteer leaders to be part of helping to grow Scouting in the Buffalo Trace Council, and I hope we can count on your unwavering support.

Sincerely,

John G. Harding
Scout Executive

Nominations are due on December 31, 2025

District Award of Merit

Do you know a Scouter who deserves to be recognized for their dedication, passion, and hard work? Nominate them for the District Award of Merit. The District Award of Merit is the highest honor a district can bestow upon a volunteer. The award is available to Scouters who render service of an outstanding nature at the district level. It is presented annually on the basis of 1 for each 25 units in the district. A nominee must have rendered noteworthy service to youth in Scouting, outside of Scouting or both. The nature of noteworthy service may consist of a single plan or decisions that contributed vitally to the lives of large numbers of youth or to a small group of youth over an extended period of time.

Silver Beaver Award

The Silver Beaver Award is a council-level distinguished service award. Recipients of this award are registered Scouters who have made an impact on the lives of youth through service given at the council level. This is the highest award a council can bestow upon a volunteer. This award is made for noteworthy service of exceptional character to youth by registered Scouters. Nominate a Scouter you feel is worthy!

New Safeguarding Youth Training is now live and **mandatory by May 31, 2026** for all registered adult leaders. It is a **joining requirement** for new adult members. Training available on my.scouting.org

Scouting safely is our top priority, and the Buffalo Trace Council and Scouting America are committed to providing a safe and secure environment for all. To further our commitment to safety, Scouting America launched the new Safeguarding Youth Training (SYT), replacing Youth Protection Training (YPT). The enhanced training module is now live and available to complete.

This training is mandatory for all registered adult volunteers and has been developed with insights from leading experts in child safety, law enforcement, and child psychology. This updated training reinforces a culture of active supervision, situational awareness, and safety, ensuring we are all equipped to help keep our Scouts safe.

JASPER DCA 2025

33rd Annual Dubois County Distinguished Citizen Award 2025

On behalf of the Buffalo Trace Council, we are pleased to extend our Congratulations to Dan Fritch! As a proud Eagle Scout, Dan has exemplified the core values of Scouting - leadership, service, and integrity. Over the years, Dan has demonstrated a lifelong commitment to his community. His dedication has earned him numerous honors for his dedication and service within his community. Whether through business leadership or community service, Dan remains committed to making Jasper a better place to live and work, something he considers both a responsibility and a privilege. Congratulations, Dan Fritch!

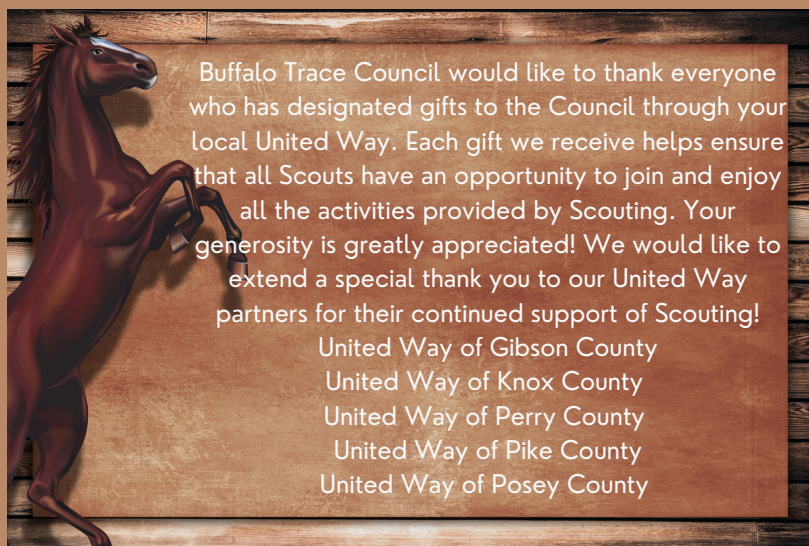

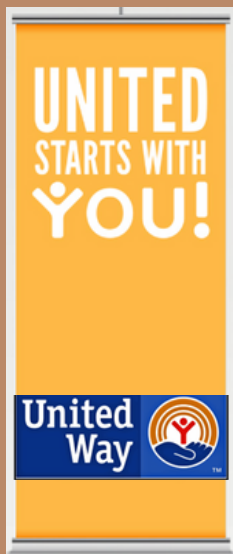

This year's event had nearly 400 people in attendance and was one of our biggest DCA Banquets yet. Guest speaker Justin Maust delivered a heartfelt and challenging speech, challenging those in attendance to reach a little farther.

Thank you to everyone who has purchased a Boy Scouts license plate in Indiana! Your additional support provides resources for our Scouts that would not be possible otherwise. If you have not purchased a Boy Scouts of America license plate, you can do so by just letting the BMV know when you renew your registration. It's that simple!

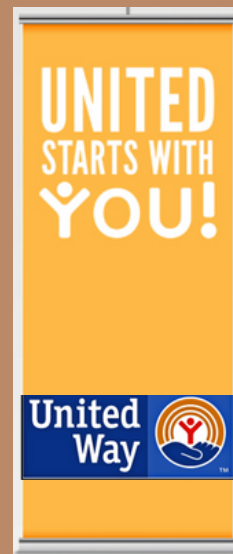

Did you know that you can support Buffalo Trace Council by purchasing an Eagle Scout license plate in Illinois? License plate registration application forms may be obtained in person at most Secretary of State facilities, by mail, by visiting www.cyberdriveillinois.com or by calling 800-252-8980. An applicant must provide a copy of their Eagle Scout Certificate or written proof of Eagle Scout rank from the Local BSA Council.

Buffalo Trace Council would like to thank everyone who has designated gifts to the Council through your local United Way. Each gift we receive helps ensure that all Scouts have an opportunity to join and enjoy all the activities provided by Scouting. Your generosity is greatly appreciated! We would like to extend a special thank you to our United Way partners for their continued support of Scouting!
