HELP THE SCOUTING MOVEMENT IN INDIANA WITH YOUR CONTRIBUTION

The same Scout Law recited by Indiana's first Scouts continues to inspire our youth's ability to do positive things for themselves and others today. Scouting's message "Prepared for Life" gives young people the courage and power to make the right choices for their lifetime.

It is the mission of the Boy Scouts of America to serve others by helping to instill values in young people and in other ways prepare them to make ethical choices over their lifetime in achieving their full potential.

Your purchase of an Indiana Boy Scouts License Plate will support:

- All 9 councils serving Indiana youth
- 90,000 Boy Scouts
- 13 resident camps

To buy a Boy Scout License Plate, visit your local BMV license branch or <http://www.in.gov/bmv/2780.htm>

Anyone can purchase a Boy Scout license plate for their vehicle. Your contribution will also continue to help make Scouting available to all of these programs:

- **Cub Scouting** — Grades 1-3
- **Webelos Scouting** — Grades 4-5
- **Boy Scouting** — Ages 11-17 years
- **Varsity Scouting** — Ages 14-17 years
- **Venture Scouting** — Coed Ages 14-20 years
- **Exploring** — Coed Ages 14-20 years

Scouting is committed to providing programs that develop in young people the skills and values necessary for productive citizenship. There are over 30,000 adult volunteers working together in a team effort to help with the Scouting programs.

HOW CAN YOU PARTICIPATE?

When you renew, simply add \$40 to your payment: \$25 goes back to your local Boy Scout Council and the Bureau of Motor Vehicles retains \$15 for administrative fees.

These plates can be used as the standard vehicle registration plates for passenger cars, recreational vehicles, motorcycles and trucks weighing less than 11,000 pounds. This is not a vanity plate, so special numbers or messages cannot be accommodated. Your plate selection is good until your next registration renewal.
