A silhouette of a cowboy on a rearing horse, set against a bright sunset or sunrise sky. The sun is low on the horizon, creating a strong backlight effect and lens flare. The cowboy is wearing a hat and holding the reins. The horse is rearing up on its hind legs. The background shows a flat landscape with distant hills.

Volume 26 No. 5

Volunteer Spotlight: Leisa Barber

Leisa Barber started her scouting journey as a Girl Scout while her family was stationed in Germany and Ft Benning, Georgia. Leisa was reintroduced into scouting in 2009 when she registered her sons for Cub Scouts in Pack 105 in Rockport, IN. She took on a leadership role as the Bear den leader, eventually becoming the Cubmaster and finally the Committee Chair of the pack. At the next level, she became the Scoutmaster, then the Committee Chair of Troop 105. Leisa founded Venturing Crew 105 and served as Crew Advisor for 3 years before giving her full attention to Council Events and Training.

When Leisa took on that first role of Den Leader, she wanted to know every aspect of scouting and how things worked. She took her first in-person Den Leader specific training and enjoyed the experience so much, she loaded up a minivan with all of the leaders from 105 and drove them to Evansville for the next Cub Scout specific training. From that point on, the adults in her units were fully trained, including IOLS/Baloo, staying on top of all new training offered by Scouting America.

When it comes to training, Leisa said, "You can't do something with youth until you understand how it works." She also stated that she uses everything she has learned in scouting outside of scouting, from daily interactions to her job.

Leisa transitioned from unit-level to district and council-level events, taking on many big roles. She has been the Day Camp Director, NYLT Scoutmaster for 2 years, Assistant Scoutmaster for a Wood Badge Course, and Unit Commissioner. She has held many other roles at the district and council level, but has a passion for the roles intertwined with training.

In addition to her natural curiosity about how things work, Leisa credits her love for training to the amazing instructors she had when she first started down that path. Once she started instructing, she found that the people who run the courses are like one big family.

Her biggest mentor through the years was Ed "Bear" Boudreau. Bear was extremely passionate about helping others and would always be there for Leisa whenever she needed him. Since Bear's passing, Dave Hampton has filled that void.

Leisa is currently a Brotherhood member of the Kiondaga Lodge and was awarded the District Award of Merit, Silver Beaver, Silver Arrowhead, and Commissioner of Science. She is employed at IN*SOURCE, where she is a Transition Coordinator, helping people from age 14-26 navigate the transition process from High School into adult life. ~Christian South-Alderson

Evansville DCA 2025

Buffalo Trace Council honored Dan Hermann at its 40th Distinguished Citizen Award banquet. The banquet was held as a sunrise breakfast on August 15th at Bally's with over 180 guests in attendance. Nearly \$70,000 was raised to support Scouting in BTC from local friends and businesses that support our mission and values. Hermann is a lifelong resident of Evansville, business owner, and community board member and supporter. He is currently a founding partner at Lechwe Holdings, LLC; serves on the board of directors for Deaconess Health System and Old National Bancorp; and is a past board chairman for several Evansville area non-profits.

"It's a pleasure to honor Mr. Hermann," said John Harding, Scout Executive. "He embodies what we teach in Scouting, and Evansville is a better place because of his involvement and commitment to the young people of our community." In fact, the friends who helped in the recording of the video honoring Dan had all had trouble picking just one value of the Scout Law that he embodies.

Among the nice examples given of his embodiment of the Law, we heard trustworthy, loyal, friendly, helpful, and cheerful. The immediate Past-President of the Council Board, Dr. James Porter, noted, "He's definitely clean, I've never seen him dirty!"

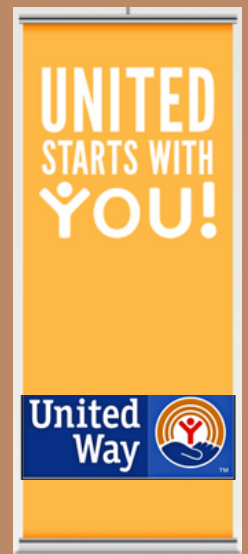

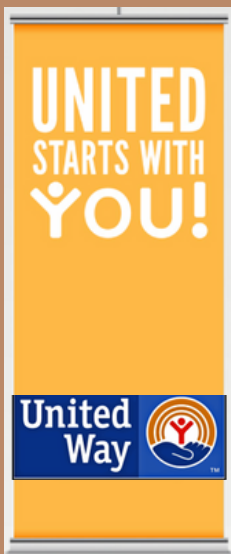

Special thanks to Maelynn Alderson, Troop 374G, for her excellence in serving as the emcee for the event. Thanks also to Julio Cahill, a First Class Scout, and Pablo Cahill, a Life Scout, both of the Kiwanis Club of Newburgh Troop 305, and Levi Riecken, Webelos Scout, of Lynnvill Volunteer Fire Department Pack 173, for their leadership of the opening ceremonies. Thank you to all of our donors and Scouts for making this event a wonderful success!

Thank you to everyone who has purchased a Boy Scouts license plate in Indiana! Your additional support provides resources for our Scouts that would not be possible otherwise. If you have not purchased a Boy Scouts of America license plate, you can do so by just letting the BMV know when you renew your registration. It's that simple!

Did you know that you can support Buffalo Trace Council by purchasing an Eagle Scout license plate in Illinois? License plate registration application forms may be obtained in person at most Secretary of State facilities, by mail, by visiting www.cyberdriveillinois.com or by calling 800-252-8980. An applicant must provide a copy of their Eagle Scout Certificate or written proof of Eagle Scout rank from the Local BSA Council.
